I have been using Art Dress for the production of blouses for my Spring/Summer 19 collection and have been completely satisfied with their performance. From sample to final garment everything looked excellent.

Above that, they were reasonable and easy to work with due to their excellent interpersonal skills and good communication. They also helped me a lot by proactively identify options and solutions to receive the best product possible.

I'm happy to recommend the services of Art Dress and will continue to work together with them in the future.
